**1. CO'S CORNER:** It is the start of a New Year! I hope everyone enjoyed their holidays. Now it is time to get to work. The minimum requirements for every cadet are

- 75% Attendance
- One Course, Training and Advancement per year
- Satisfactory Academic standing in school.
- Two passing PRTs per year

Let's get on it. Get your courses turned in, get studying, start thinking about summer training opportunities, and get your report cards turned in.

I am very excited about this year and look forward to seeing you all at drill.

**2. ADMINISTRATION DEPT NOTE:**

a. Enrollments for Cadets who expire will not be renewed unless fees are paid. Additionally, if you do not wish to participate in the program any longer, please contact the Operations Officer. The following personnel ID Cards are expired or about to expire:

Cadets: Willis, Matthew registration expired.

Cadets: Hollis, Nathaniel registration expires at the end of January.

Cadets: Bennett, Trevor registration expires at the end of February.

Also, if your school, parent/guardian or emergency contact information changed over the last year, let us know when you check in.

**3. OPERATIONS DEPT NOTE:** It is imperative that every cadet read the POM, and the Seabag List and ensure they bring everything on it. Do not forget to dress for the weather. Wear layers under your uniform as necessary, and purchase additional uniform outer garments if needed. There are too many cadets arriving at winter drills with shorts/t-shirts for PT and not enough cold weather gear.

**4. SUPPLY DEPT NOTE:** There is a quota system for what uniform items we are allowed to order in a year. If you have items that no longer fit, please turn them in to be re-issued. Active Duty parents, feel free to take up a collection at your place of duty. We will definitely take donations.

**5. TRAINING DEPT NOTE:** Between winter and summer training schedules, cadets can still complete Recruiting Office Duty one time towards advancement. Speak with the Chain of Command for more information.

Please check the promotion matrix following the POM
