1430 SECURE FROM DRILL WEEKEND

XO'S CORNER:

Are you ready for your summer training? It is my hope that 100% of you took advantage of the 100% training cost feed paid resulting for the fundraiser.

The NSCC/NLCC both have some very exciting trainings and many are still available. If you are planning a summer training, June drill is the deadline as many staff break for the month to spend time with their families. Please do not wait until July to register as it is a challenge to gather the staff to process a training.

Take a look at your ID card, if it is expired or expiring soon, I will need to collect your re-enrollment fees and register you in order to attend summer training.

The rest of the year looks fantastic as well. August is our annual out of town trip, stay tuned to Facebook for details.

I would like all of you to join me in welcoming a crackerjack group of new cadets to the Top Family. Some are starting in June, and others in August.

ADMINISTRATION DEPT NOTE:

ALL medications must be properly labeled secured container with medication, expiration, and dosage instructions. Plastic zip-lock style bags are not considered a secured container.

OPERATIONS DEPT NOTE:

If you have already filled out and turned in a copy of the swim form, you do not need to complete it again. If you were not present last drill, you must fill out the swim form attached and bring it to drill. Failure to do so will result in no swim qual this drill, and you will need to certify 3rd class swimmer on your own time.

SUPPLY DEPT NOTE:

Please bring all items required for summer trainings to drill, along with your seabag list for your trainings. This will allow us to verify we are all prepared for summer training appropriately.

TRAINING DEPT NOTE:

Course submission is now required to be submitted online. Turning in items between drills makes grading easier and can speed up promotion processing. Online submission is located at <http://thsusnscc.org/resources.html>. Additionally, all cadets are required to bring a small notebook to drill. Preferably, one that fits in the NWU cargo pocket.

7. UPCOMING DRILL SCHEDULE FOR 2018 :

JUNE 2018
08-10 THS DRILL

JULY 2018	AUGUST 2018	SEPTEMBER 2018
