1. CO'S CORNER:

Last drill was a great time. Weapons training was a total success we got to add ribbons to cadet's racks and more importantly we learned to handle weapons safely.

This month's drill will be equally rewarding with the training that is planned at JEB Little Creek. Hope to see everyone there!

2. XO'S CORNER:

This week, we received outstanding news regarding the USNSCC funding level from Congress. The levels we received have not been seen since 2005! The levels of funding combined with our annual 100% for 100% fundraiser means that each cadet will be able to attend summer training at no cost to the cadet (other than transportation)!

What does this mean? Continue to work hard and remember that a successful PRT is required to attend summer training. Start thinking now about what training interests you or what training you require. The training officer will have more details.

This drill, Traino and I, will be unveiling the cadet tracker program. This complete program will allow cadets (and parents) to track where they are in the Sea/League cadet program, from PRT, coursework, and advancement exams. Everything a cadet needs, in one place. Training on this program is scheduled for Saturday evening.

3. ADMINISTRATION DEPT NOTE:

Drill fees are 25 dollars payable by cash or check at the beginning of drill, please bring exact change if you are able. Annual renewal fee is 100 dollars. Indoc cadets are reminded to bring any of their medical paperwork, and physicals that are still incomplete at September's drill.

4. OPERATIONS DEPT NOTE: It's that time of the year. The shift to military whites is here! The official date is the 15th of APR. The official dress uniform for drill will be dress blue's.

5. SUPPLY DEPT NOTE: Cadets in need of uniform items for dress whites or any uniform please get with me. If you have items that no longer fit, please turn them in to be re-issued.

6. TRAINING DEPT NOTE: Course submission is now required to be submitted online. Turning in items between drills makes grading easier and can speed up promotion processing. Online submission is located at <http://thsusnsc.org/resources.html>. Additionally, all cadets are required to bring a small notebook to drill. Preferably, one that fits in the NWU cargo pocket.
