1. CO'S CORNER: Last drill was excellent, with some folks advanced and awarded. Remember, you are going to get out of the program what you put in. Get your courses turned in and be at every drill... you don't want to miss out on some fun and exciting opportunities coming up this year.

2. ADMINISTRATION DEPT NOTE:

a. Enrollments for Cadets who expire will not be renewed unless fees are paid. Additionally, if you do not wish to participate in the program any longer, please contact the Commanding Officer. The following personnel ID Cards are expired or about to expire:

Cadet: Bennett, Trevor registration expires at the end of February.

Cadets: Murray, Aaron registration expires at the end of March.

Also, if your school, parent/guardian or emergency contact information changed over the last year, let us know when you check in.

3. OPERATIONS DEPT NOTE: Ensure you bring your Dress Whites with you this drill. In anticipation of the upcoming uniform shift, we will be conducting a Dress Whites inspection. Get everything as ready.

4. SUPPLY DEPT NOTE: There is a quota system for what uniform items we are allowed to order in a year. If you have items that no longer fit, please turn them in to be re-issued. Active Duty parents, feel free to take up a collection at your place of duty. We will definitely take donations.

5. TRAINING DEPT NOTE: There are a handful of cadets that still need a passing PRT either from being absent or from not completing all the evolutions. There are only 3 events, running, pushups, and sit-ups. Practice all 3 at home. The cadets doing so are showing big improvement. Don't let this hold up your promotions.

We have not been receiving coursework between drills. While not required to do so, turning it items between drills makes grading easier, and can speed up promotion processing. Online submission is available at <http://thsusnsc.org/resources.html>

Please check the promotion matrix following the POM
