7. DRILL SCHEDULE FOR THE REMAINDER 2017:

1. CO'S CORNER: It is crunch time now. We don't drill in July and the summer training season is upon us. For cadets to advance they must meet Advanced Training requirements. Additionally, this is the most fun part! Get your applications and payments in so we can get you scheduled.

Also, there has been an increase in cadets forgetting drill fees, sometimes multiple drills in a row. The unit is non-profit and runs on a very tight budget. Even the drill fee goes a long way into ensuring continued operations.

2. ADMINISTRATION DEPT NOTE:

a. Enrollments for Cadets who expire will not be renewed unless fees are paid. Additionally, if you do not wish to participate in the program any longer, please contact the Commanding Officer. The following personnel ID Cards are expired or about to expire:

Cadets: Merzier, registration expired at the end of April. Cadets Hewitt and Kahkonen registration expired in May. Cadet Wilson expires in June.

As a friendly reminder, there is a \$25 drill fee. This fee covers meals for the weekend and is due at time of arrival. Payment methods available are cash or check. Credit card payment is sometimes available but incurs a \$1 processing fee.

Also don't forget to invite your friends Indoc is on the 23rd of September.

3. OPERATIONS DEPT NOTE: Ensure you wear your Dress Whites this drill. Take note to the above mentioned seabag inspection. Also bring appropriate swimwear and a towel to dry off with.

4. **SUPPLY DEPT NOTE:** There is a quota system for what uniform items we are allowed to order in a year. If you have items that no longer fit, please turn them in to be re-issued. Active Duty parents, feel free to take up a collection at your place of duty. We will definitely take donations.

5. **TRAINING DEPT NOTE:** Courses have started coming in online. While not required to do so, turning in items between drills makes grading easier, and can speed up promotion processing. Online submission is available at <http://thsusnscc.org/resources.html>
