1. **CO'S CORNER:** Thank you to all the cadets and staff for another great drill. Keep the correspondence courses coming and keep your attendance up. Please note, due to building availability, the April drill will be taking place on Easter weekend. For that reason, cadets will be dismissed Saturday evening. Stand by for more details. Also, if you will not be able to attend, please ensure you submit an absence request.

2. **ADMINISTRATION DEPT NOTE:** As a friendly reminder, there is a \$25 drill fee. This fee covers meals for the weekend and is due at time of arrival. Payment methods available are cash or check. Credit card payment is sometimes available but incurs a \$1 processing fee.

3. **OPERATIONS DEPT NOTE:** The expected uniform shift from Blues to Whites will likely be in April. The date for this shift will be published once the announcement is released. There is a possibility we will be in Whites by the April drill. For this reason, we will be conducting a Service Dress Whites inspection this month. All cadets need to bring all dress uniform components and have all Dress Whites discrepancies corrected by the end of the month.

4. **SUPPLY DEPT NOTE:** There is a quota system for what uniform items we are allowed to order in a year. If you have items that no longer fit, please turn them in to be re-issued. Active Duty parents, feel free to take up a collection at your place of duty. We will definitely take donations.

5. **TRAINING DEPT NOTE:**

Courses have started coming in online. While not required to do so, turning in items between drills makes grading easier, and can speed up promotion processing. Online submission is available at <http://thsusnscc.org/resources.html>

There has been a change to the Training and Operations Manual. All cadets attending boot camp will need to be 13 years 270 days old by the start of boot camp. Therefore, NLCC cadets who will not meet this age criteria will remain in the NLCC through the summer.

Please check the promotion matrix following the POM
